## *Quality Cabinetry. Endless Appeal.*

*Introducing Arbor Creek Cabinetry*—the latest from Cabinetworks Group. Borne from decades of experience in the channel, Arbor Creek offers quality construction and design appeal for large scale multi-family projects. From our framed and frameless options to our vast array of fantastic finishes, the Arbor Creek product line can meet the needs of any project concept, style, and budget.

Each customer and project are different, but every multi-family development follows a similar road to completion. Arbor Creek's sales and support teams bring the expertise and capabilities needed to help you tackle the challenges of even the biggest projects. Plus, with capabilities from coast to coast, we deliver the same great quality no matter the project location.

*Created with the purpose of providing an excellent product and experience to distributors serving the multi-family industry, we're excited to help you discover Arbor Creek.*

Selway Half Overlay Paint Grade in Grigio Grey

COVER: Hammond 5-Piece Full Overlay Paint Grade in Dover White and Grigio Grey

Conroe Frameless Thermofoil Laminate in Grey Cashmere and Fashion Grey

Mazon Full Overlay Thermofoil Laminate in Bianco White

Nolin Half Overlay Maple in Coffee

# Framed and Frameless Cabinetry

The freedom of flexibility. Arbor Creek is pleased to offer partners the choice of both framed and frameless cabinet construction, because every project is different.

With a variety of door styles—including flat panel, raised panel, Shaker, and slab—available in half or full overlay, our framed options can elevate designs from classic to contemporary. Within our framed product line, we offer finishes in paint, stain, and thermofoil laminate.

# FRAMELESS >

Anderson Frameless Thermofused Melamine  
in Somber Grey and Laurel Frameless  
Paint Grade in Alpine White

When projects call for a more contemporary design, consider Arbor Creek's frameless alternatives. Pair flat panel, Shaker, or slab options with paint, thermofused melamine, or thermofoil laminate finishes, to create looks that last at a variety of price points.
